A: It's possible, depending on availability. Contact us as early as possible to request any changes.

Q: What happens if all my items don't fit?

Packing Tips for a Smooth Move

Use quality boxes: Ensure your boxes are strong enough to handle your belongings and won't tear during the move.

Label boxes clearly: Write the contents and the destination room on each box to make unloading quicker and easier.

Pack strategically: Place heavier items like books in smaller boxes, while lighter, bulkier items like bedding go in larger ones.
